SUHAIL SHARIFF

Full Stack Developer

📞 7338784630   @ suhailshariff907@gmail.com   📍 Chennai, India

EXPERIENCE

Senior Software Developer

NEXT SPHERE TECHNOLOGIES

📅 09/2017 - 09/2021   📍 Chennai

Forever Living International (FLPI) - Angular 12, Spring Boot, MySQL, AWS S3/CDN

Responsibilties:

- Led the team for upgrading CMS portal from legacy AngularJS build to Angular 12
- Designed, executed and optimized the content management portal (CMS), resulting in performance increase of 33% and reduction in bundle size by 40%
- Performed optimizations to the CSS content in the CMS pages, resulting in decrease of bundle by 15%
- Identified issues related to CMS content versioning in Spring boot backend and optimized the update workflow, which helped reduce the overall workflow process time by 15%
- Designed the UI workflow for Store configuration, which helped the Store admin to move away from dependency with developers to update stores via scripts. This portal helped reduce the overall flow drastically resulting in reduction of effort by 50%
- Leveraged Spring Boot Batch process to handle bulk Product uploads for new stores with validations and robustness in updating the product. This process helped decrease the product catalogue configuration time by 80%

IT Analyst

Tata Consultancy Services

📅 09/2021 - Ongoing   📍 Chennai

Albertsons Companies, Inc - Angular 11, ReactJS, NodeJS, Bootstrap, MongoDB

Responsibilties:

- Led the transition of fast checkout process, reducing the customer churn rate by 5%
- Activities involved coding, peer reviews, mentoring colleagues and working on tech debt activities to reduce the application load time
- Optimized the slots booking process, increased the code execution time by 20% and reduced the LOC by 40%
- Managed the overhaul of Cart redesign by developing a library to combine operations for Mini Cart, Full Cart and Edit Cart, which resulted in reducing the duplicate code and effort by 50%

EDUCATION

BE - CSE (CGPA 8.24)

Aalim Muhammed Salegh College of Engineering

06/2013 - 05/2017
